

The Swanson School of Engineering and the Civil Engineering Alumni Club invite you to a special event featuring an update on the Benedum Hall "Transformation Plan," and the construction of the Mascaro Center for Sustainable Innovation (MCSI)

Thursday, October 16, 2008
from 3:00 to 6:00 pm

3:00 pm Welcome Comments (Benedum Hall, Room 1175)

Radisav Vidic, Chair, Dept. of Civil & Environmental Engineering
Gerald Holder, U.S. Steel Dean of Engineering

Special Guest Speakers

Jack Mascaro (BSCE '66, MSCE '80)
Chairman, Mascaro Construction Company

Nate Martin (BSCE '98)
Mascaro Construction Co. / MCSI Project Manager

4:00 pm Construction Tour

5:00 pm Student Networking Reception

Hosted by CEAC, this event will give you the opportunity to meet CEE students and discuss job opportunities with your company. Food and beverages will be served. Reception will take place in the LRDC Building (Directly across O'Hara Street from Benedum Hall), in the top floor conference room.

6:00 pm Event ends
