Graduate Course Credit Transfer Form
Department of Bioengineering, University of Pittsburgh

Date: _____

Student Name: _____ Student Signature: _____

Advisor Name: _____ Advisor Signature: _____

Prior Graduate Degree Earned? Yes _____ No _____ If Yes, Degree Earned: _____

From Information				University of Pittsburgh Equivalent				Approval Signature &Date
University Name	**Course Number**	**Course Title**	**Hours/ week**	**Course Number**	**Course Title**	**Credit Hours**	**Course Type**	

Required Supporting Documents:

(1) Original transcript; **(2)** Brief description of contents for each course; **(3)** Evidence that courses are at the graduate level (e.g., often course numbering scheme corresponds to the level of the course); **(4)** If a course was taken as an undergraduate – evidence that this course was not used to satisfy undergraduate curriculum requirements.

Remarks:

(1) All course credit transfer requests must be approved by the BioE Graduate Committee (Chair or designate). A course transfer in the Track Courses category needs to be pre-approved by the appropriate Track Coordinator. **(2)** Make every attempt to find an equivalent graduate course at the University of Pittsburgh. **(3)** Choose one of the following categories for Course Type: Mathematics, Statistics, Ethics, Life Science, Track, Elective, Teaching Practicum, Seminar.
