

Add a Class

With PeopleSoft Student Center

Overview

Students can self-enroll using the PeopleSoft Student Center, which provides online access to add classes, drop classes, and edit class enrollments.

There are three steps you need to take before self-enrolling. This document explains how to add classes using your Student Center.

Are You Prepared to Self-Enroll?

Students must complete the following steps before they can self-enroll:

1. Log in to your Student Center through **My Pitt** (the **my.pitt.edu** Web portal)
2. View details about your enrollment appointment
3. Meet with your academic advisor

For details, refer to the help sheet *Preparing for Self-Enrollment*, available in My Pitt.

Access your Student Center

Log in to **My Pitt** with your University Computing Account username and password. Next, click the **Student Center** pass-through link to the right of this home page. Next, click **Self Service** and then click **Student Center**. Your Student Center information will be displayed as shown in the example below.

The screenshot displays the 'Pitt's Student Center' interface. On the left, there are two main navigation sections: 'Academics' and 'Finances'. Under 'Academics', there are links for 'Search', 'Enroll', 'My Academics', and 'Mid-Term Grades'. A search bar is present with the text 'other academic...'. Under 'Finances', there are links for 'My Account', 'Account Inquiry', 'Financial Aid', and 'View Financial Aid'. A search bar is present with the text 'other financial...'. On the right side, there is a 'SEARCH FOR CLASSES' button. Below it, there are three sections: 'Holds' (showing 'No Holds.'), 'To Do List' (with 'Final High School Transcript' and a 'details' link), and 'Enrollment Dates' (with an 'Enrollment Appointment' message: 'You may begin enrolling for the Fall Term 2010-2011 Academic Term session on March 31, 2010 4:15PM.'). Two red circles highlight the 'Enroll' link and the 'Holds' section. A red rounded rectangle highlights the 'Enrollment Dates' section.

Student Center Items

Just before the add/drop period for each term begins, these items will display in your Student Center to help you prepare for online self-enrollment:

- [Academic Advisement Required Hold](#). Students who have an **advisement (ADV) hold** placed on their student record will see an “Academic Advising Required” hold displayed at the top right of the **Student Center**. You must meet with your academic advisor to have this hold removed before you can register for classes.
- [Enrollment Appointment](#). The start date of your **enrollment appointment** displays on the right side of your Student Center. Once your appointment begins, you can continue self-enrolling through the add/drop period.

Note: To prevent delays in your ability to self-enroll, arrange to meet with your academic advisor *before* your enrollment appointment begins.

- [Enroll Link](#). This link displays at the top left of your Student Center below **Academics**. After you have completed the self-enrollment preparation steps, you will use this link to register for classes.

Add a Class Overview

Self-enrollment enables students to add, drop, and edit class enrollments. From your Student Center, click the **Enroll** link.

The screenshot shows a navigation bar with three main sections: 'Search', 'Enroll', and 'My Academics'. Under 'Search' are 'my class schedule' and 'add' (circled in red). Under 'Enroll' is 'drop'. Under 'My Academics' are 'edit' and 'term information'.

Term Selection

If this is your first term of enrollment, the system will select your admit term for you as the term for which you will enroll. In this case, skip to the next section: **Steps to Add a Class**.

When this is not your first term of enrollment, you are presented with a term selection page. Select the **term** for which you wish to enroll, and then click **Continue**.

The screenshot shows the 'Add Classes' page with the 'Select Term' section. A table lists two terms, with the first one selected. A red arrow points from the selected radio button to the 'CONTINUE' button.

Select a term then click Continue.

Step 3—Register and Agreement to Pay

The third and final step in the Add a Class process is to review the promissory note and complete your class registration(s). Here is a copy of the note text that will appear on this page:

Once I register for a course, I become responsible for payment of the resulting tuition, fees and other associated financial obligations. By proceeding with my registration, in exchange for being permitted to register for and attend classes, I am entering into a Promissory Note ("Agreement") with the University obligating me to pay all outstanding monies owed to the University not paid by loans, scholarships, grants and/or other payments. Payments are due by the due date displayed in each Electronic Bill posted for me in PittPAY.

Should I fail to pay any outstanding balances in full when due, I agree that a monthly \$50 late fee will be assessed to my balance. I further agree that should my account become delinquent, the University will assess a collection fee of \$100 and may withhold future registration or schedule adjustments, the awarding of any degree(s) or diplomas, and/or grades and official transcripts. Further, if I am delinquent, the University may pursue litigation against me, transfer my account to a collection agency and/or report any delinquency to credit bureau(s). In addition to my balance, I agree to pay the University's costs and fees, including attorneys' fees, incurred in any litigation or collection activity resulting from my failure to pay under this Agreement.

My withdrawal effective date, if any, will determine the amount of credit that I may be eligible to receive pursuant to University policy 09-05-08 Termination of Registration, and the Resignation and Title IV Refund Policy links found at <http://bc.pitt.edu/students>.

I have read this Agreement and understand it. By clicking the ACCEPT TERMS AND REGISTER button, I affix my electronic signature, consent to this Agreement and agree to pay the University my outstanding balance, plus fees and costs as set forth above.

1. Click **Accept Terms and Register**.
