

**Engineering 0012
Spring Term, 2009**

Programming Assignment 9

Due: Tuesday, March 31

There are two tasks for this week:

- 1) Do problem 2 on page C-116 in the text. Check the script as you design it to make sure it fits all the requirements. Have FUN!!!!!!!!!!!!!!
Drop the cpp file into the drop folder in class.

Note: Your script must have a header section in comments that identifies:

Team members

Engineering 0012 T,H 00:00-00:00

Instructor:

Date:

Assignment number (i.e., Homework 9)

Purpose of script

Also, you will be graded on programming style. Use whitespace, comments, indenting, etc.
