## Group 7 Addendum

### **Problem Statement**

General editing and revision, removal of lengthy sentences and extraneous information

### **Background**

Added information about Find the Rivers! And how they are affect the Green-Up lot development. Information about Hill House added and what their presence means in the Hill District. Defined Green-Up lots and added information about their use in the Hill District.

### **Goals & Rationale**

Additional goal added with regards to publicity. Specifically, our group will try to get article in the Pittsburgh Post-Gazette via Dr. Lund's contact with the paper.

### **Deliverables**

Organized information into outline format, including descriptions of each deliverable regarding the format, uses, and other information.
