

Programming Assignment 14 - Evaluation Criteria

Name(s) _____

Criteria	Points Available	Points Awarded
Main Program Requirements		
Program description header	10	
Loop to redo the main program	10	
Comment lines, etc	10	
A menu to select options	10	
Check for user input error	10	
Switch case or if for each option	10	
Open a data file for printing	5	
Part A		
Read in variables	10	
Loop to calculate voltage	30	
Display results	10	
Loop to redo Part A	10	
Check for user input error	10	
...Print results to a file	5	
Part B		
Read in variables	10	
Loop to calculate voltage	30	
Display results	10	
Loop to redo Part B	10	
Check for user input error	10	
...Print results to a file	5	
Part C		
Read in variables	10	
Loop to calculate voltage	30	
Find difference	10	
Display results	10	
Check for user input error	10	
Loop to redo Part C	10	
...Print results to a file	5	
	Total Pts:	/300
