

I hereby certify that I have reviewed and understand all safety trainings and procedures relating to presence and work in the Materials Metrology, Characterization, and Learning Laboratory. I will adhere to all rules and regulations.

- Fully read and understand the Pitt EH&S COVID-19 training document - [link](#)
- Fully read and understand the MMCL Procedures Training Document - [link](#)
- Complete EH&S Chemical Hygiene safety training within the last year - [link for Pitt users](#) – [link for non-Pitt users](#)

For Pitt users who want to access MMCL equipment (including the computer hub)	For external users who want to access MMCL equipment	For Pitt users who want access to the space only (e.g. to attend learning sessions)
<ul style="list-style-type: none"> <li><input type="checkbox"/> Submit the MMCL safety training records and access request form (you must be logged into your Pitt account) - <a href="#">link</a></li> <li><input type="checkbox"/> Sign up for the FOM system with a valid account number from your PI - <a href="#">link</a></li> <li><input type="checkbox"/> In FOM, request access to the MMCL facility [PITT_02-MMCL(MEMS)].</li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Sign up for the FOM system - <a href="#">link</a></li> <li><input type="checkbox"/> In FOM, request access to the MMCL facility [PITT_02-MMCL(MEMS)].</li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Submit the MMCL safety training records and access request form (you must be logged into your Pitt account) - <a href="#">link</a></li> </ul>

Submit this signed document to the MMCL Lab ([ssoemmcl@pitt.edu](mailto:ssoemmcl@pitt.edu)).

After the signed form is received:

- You will be given access to MMCL in FOM, at which point you can request training on specific instruments
- Your card swipe access requests will be submitted on your behalf
