

CONTACT INFORMATION

• IIE publishes an online membership directory, accessible by IIE members only, to assist our members with peer to peer networking. If you check the “do not

publish my contact information” box, you will not be listed in the online directory.

MEMBER PROFILE

• Providing us with the information requested in this section will help us to develop programs and information to better serve your professional needs.

• Business & Industry and Job Function: Select one code that best describes your firm’s primary business activity or service at your location of employment and your particular job function. Please select only one from each category.

• To best serve our members, and to supplement your member dues, the IIE mailing list is released to other engineering and carefully selected organizations to provide you with information on technical products and services relevant to your profession. If you do not wish to have your name included, please check the box that says “check here to have your name omitted from the mailing lists we share with other organizations.”

MEMBERSHIP TYPE

Professional US Member: \$125

Professional membership includes online access to *IIE Solutions* magazine, twelve mailed issues of *IIE Solutions* magazine (does not include airmail), access to “members-only” section of IIE Net, an IIE membership card, a membership certificate, member discounts on all IIE products (including periodicals, books, conferences, and seminars), and twelve issues of IIE eBrief (electronic newsletter). Available to individuals in the United States and its territories.

Student Member (US & International): \$20

• Students must submit proof of student status. Download a Student Verification Form at www.iienet.org/verification.htm. Print this form and have it completed and signed by your faculty advisor and mail or fax the form to IIE. We must receive your Student Verification Form with your application or your membership will not be activated.

• International students receive access only to the online version of *IIE Solutions* with membership. International students can choose to receive a mailed magazine for the cost of shipping.

International Basic: \$50 USD

This package includes twelve issues of IIE eBrief (electronic newsletter), online access to *IIE Solutions* magazine, an IIE membership card, and a membership certificate. Available only to non-US residents.

International Plus: \$95 USD

This package includes twelve issues of IIE eBrief (electronic newsletter), online access to *IIE Solutions* magazine, twelve mailed issues of *IIE Solutions* magazine (does not include airmail), an IIE membership card, and a membership certificate. Available only to non-US residents.

International Premium: \$125 USD

This package includes online access to *IIE Solutions* magazine, twelve mailed issues of *IIE Solutions* magazine (does not include airmail), access to “members-only” section of IIE Net, member discounts on all IIE products (including periodicals, books, conferences, and seminars), twelve issues of IIE eBrief (electronic newsletter), an IIE membership card, and a membership certificate. Available only to non-US residents.

Dual IIE/SAVE International Membership (US & International): \$200

Save 20% off the cost of memberships in both IIE and SAVE International (a \$250 value), yet still enjoy full professional member benefits in both organizations! SAVE is the premier international society devoted to the advancement and promotion of the value methodology (also called value engineering, value analysis or value management). Visit the SAVE website at www.value-eng.org.

\$5 Local membership fee required for Canadian residents using the International Basic or Plus rates.

NETWORKING

Society for Health Systems (SHS) \$35 in addition to IIE dues

Each member receives a discounted registration to the SHS Conference and a subscription to SHS News. SHS also provides networking opportunities through the Directors of Management Engineering (DOME) Forum, SHS Conference, and online discussion center.

Society for Engineering & Management Systems (SEMS) \$35 in addition to IIE dues

Each member receives *Industrial Management*, a bimonthly magazine covering management issues in the industrial environment, and SEMS News, a periodic publication featuring articles of topical interest and information regarding SEMS activities. SEMS supports and co-sponsors a variety of continuing education workshops and conferences.

Society for Work Science (SWS) \$35 in addition to IIE dues

Each member receives a discounted registration to the SWS Conference, a subscription to SWS News, a periodic publication devoted to exploring the latest applications, research models, and industry news, and an online discussion center.

Networking Communities

Free with membership. Available only to US Professional (\$125), International Premium (\$125), and all Student (\$20) members. All groups offer an online/e-mail discussion center. Visit IIE Net’s Networking section for access to this benefit (www.iienet.org/network.htm). Those marked with an asterisk (*) also include periodic electronic newsletters. Check the boxes for all those you wish to join to receive newsletters and other special announcements via e-mail — be sure to include your e-mail address on this application to receive your electronic member benefits.
